OBJECTIVE 1: UPDATE GOALS AND MEASURE PROGRESS STAKEHOLDER MEETING

Description

The purpose of the stakeholder meeting is to share recommendations about new statewide goal(s) and to receive feedback. Also, the stakeholder meeting will be used to gain an understanding of stakeholders' views on the current goal and potential new goals. During the meeting we will present the process TDEC followed to research, analyze, and develop the recommendations. TDEC will also present the recommendations and accept public input specific to the proposed recommendations.

Time and Setting

The stakeholder meetings will be held in the three grand divisions of TN.

- **March 14, 2:00-4:00pm EDST**
Meadowview Marriott Conference and Convention Center
1901 Meadowview Parkway, Kingsport, TN 37660
Tennessee Environmental Conference
Crockett Amphitheater
- **March 24, 5:30-7:30pm CDST**
Fort Negley Visitors Center
1100 Fort Negley Blvd, Nashville, TN 37203
- **March 30, 9:00-11:00am CDST**
Jackson Environmental Field Office
1625 Hollywood Drive, Jackson, TN 38305

The meetings will last two hours, with an extra hour available for networking and other solid waste and recycling questions. The presentation format will be in PowerPoint and last approximately 30-45 minutes. The time remaining will be available for stakeholder input about the recommendations presented. TDEC will announce during this time that this is for feedback purposes only. Feedback can be received either by written comment or verbally.
